Get warped into the future of team building & explore entertainment at the speed of light!

Mission Possible

Mission Possible: Ideal for groups who are looking to enhance team leadership & communication skills. Prior to playing each game the team is provided with a mission packet including a description of the game's objective which must be read & communicated to the team by their team captain. Their mission is to work together as a team to develop, plan, & implement a strategy to lead their team to victory through a series of fun filled & competitive laser tag games! An awards ceremony will bring the event to a close.

4 Game Format (3 hours)

Re-Energize Program

Re-Energize Program: A great way to break down barriers & focus on developing team relations. Your facilitator will lead you through a series of interactive & strategic laser tag games. In the name of healthy competition & teamwork, your team will develop a stronger sense of camaraderie, rapport, & team unity! This program is a great way to develop team collaboration & the importance of teamwork. An awards ceremony will bring the event to a close.

3 Game Format (2 hours)

4 Game Format (2.5 hours)

Tank Challenge

Tank Challenge: Develop, enhance, & solidify the importance of team communication. Your facilitator will lead you through a series of games where your team will be presented with challenges that require them to develop a strategy to meet the team's goal. These games require players to partner & communicate with a teammate as a "tank", where they may be tied together with a bandana, or even blind folded! This is an entertaining, challenging, & fun way to incorporate how team communication & collaboration can be used to reach a common goal. An awards ceremony will bring the event to a close.

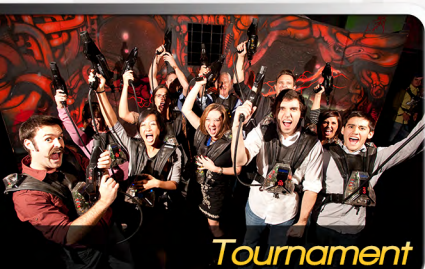

4 Game Format (3 hours)

Base Challenge

Base Challenge: An interactive program that emphasizes team connectivity & how team communication can lead your team to success. This a great program for teams with new leadership who are looking to interact & connect in a unique way. Your facilitator will lead you through elimination style games. Teams will be responsible for creating a strategy, which will protect their captain & team from defeat, through a series of competitive games that are tied around capture the flag type game formats & strategic team play. An awards ceremony will bring the event to a close.

4 Game Format (2.5 hours)

Tournament

Tournament: This is an exciting event ideal for competitive teams who are looking for a high-energy, fast-paced competition where they will challenge multiple teams! Tournaments are the perfect way to settle the score & compete against other departments, branches, divisions, or your own team. Promote healthy competition & the power of teamwork as teams compete to win. This event is great as a one-time event, annual, or semi-annual event with award medals provided for the top team.

Team Fusion

Operation Team Fusion Initiative: This program will invigorate your team's energy & passion for teamwork as they fuse together their talents to form one cohesive team unit while partaking in this strategic laser tag operation! Team leaders will guide the laser tag initiates to victory as they participate in timed trivia, laser tag challenges such as the blast man standing, the creation of a team crest, a battle slogan, & a number of team laser tag games! This is a competition that will enhance group interaction, team camaraderie, & the impact each person has on their team as a whole. Teams must successfully follow directions and be creative while using limited resources & time. This interactive & fun-filled event is brought to a close by an awards ceremony celebrating the winning team!

3 Game Format (3.5 hours)

Scavenger Hunt Race

Scavenger Hunt Relay Race: Great for teams who want to integrate company training, policy, or company knowledge, as well as the development of co-worker relations. Help foster improved morale as teams learn to work together, cheer one another on, enjoy healthy competition, & learn more about their company's objectives, new policies, & other information in a fun way. Your facilitator & team captain will lead you through a series of relay races that happen concurrently while playing laser tag. Other fun elements are introduced during a scavenger hunt where teams are required to find hidden glow-in-the-dark items as well as unlocking the questions to reveal points or a challenge! This program works well when coupled with a company meeting or social event & will enhance co-worker relations.

4 Game Format (3 hours)

Laser Tag Build-A-Bike

Laser Tag Build-A-Bike Challenge: Perfect for groups who want a truly rewarding experience that integrates the fun of building & donating a bike to a well-deserving child, as well as enjoying the high-tech competition of laser tag play! Imagine your team participating in a fun bike building challenge with a race & 2 team laser tag challenges all adding up to team success & lots of fantastic add-ons for your teams' bikes. This event is for teams looking to integrate philanthropy, the importance of strategy, communication, & camaraderie while working together as one cohesive team unit.

3 Game Format (3 hours)

Traveling Trolley Laser Tag Program: Perfect for groups looking for an out of the box solution to foster group interaction during a fun & active team building program with transportation included. Hop aboard a trolley with one of our facilitators who will coordinate the teams & entertain the guests with Arizona Trivia & prizes as they travel to Stratum Laser Tag! Upon their arrival, the group will begin a sequence of 4 laser tag games. Prior to each game, the teams will be given their mission objective, have the opportunity to strategize their course of action, & play the game. At the close of the event, an awards ceremony will take place, the winning team will be awarded, & the teams will be escorted to the Trolley where the event host will facilitate a participant involved debriefing about the event.

4 Game Format (4 hours)

Glowing Laser Tag Putt-Putt Challenge: Incorporates laser tag play with the building of a putt-putt course. This event will challenge your team's creative abilities, team interaction, communication, & golfing ability! Teams will design & create their own miniature golf hole using unique materials & building supplies that glow while participating in challenges such as playing golf, a black light scavenger hunt, & 2 laser tag challenges. Enhance team interaction through vision casting, cooperation, collaboration & the creative use of resources. Players will participate in a competition to win the most creative hole or the most difficult hole.

Build A Bike Challenge

Build A Bike Challenge: A fun, interactive, & rewarding team building event that incorporates social responsibility, along with the importance of team interaction & communication... with the final outcome of your hard work going to the children's charity of your choice. This challenge tests your team's ability to work together to build a bicycle using the necessary tools & pieces while following directions given by your facilitator or captain. You will assemble the bike, ready to ride, design a team flag, & get ready to donate it to a worthy charity! Additionally, each team will participate in challenges & perform a team chant to wow the judges!
